# What do we mean?

# People who can measure quality

Customers can do Req's Reviews  
and Task-based testing

Customers

Developers can do  
Design Reviews  
and Technical test

Developers

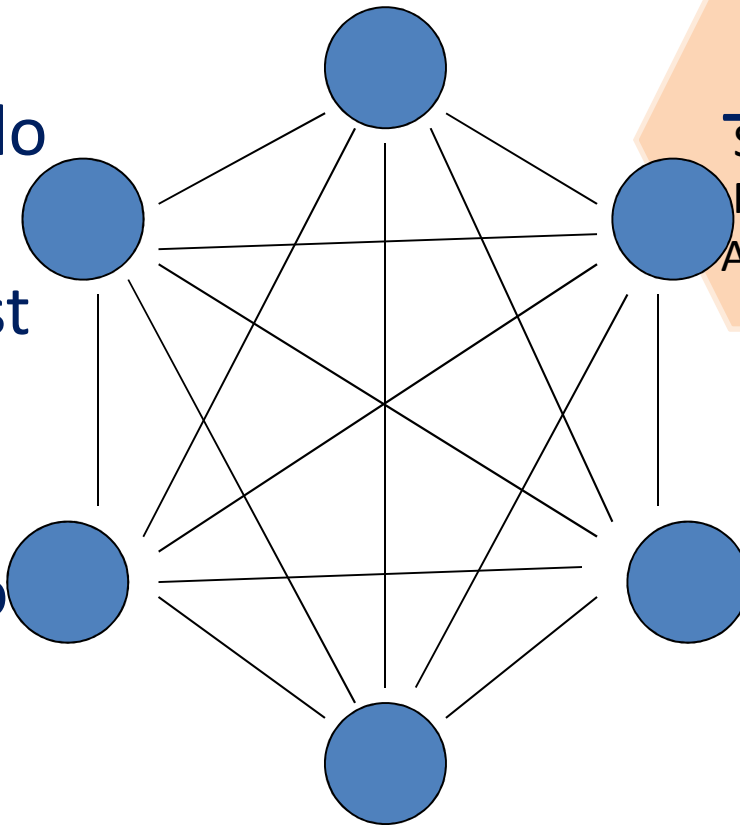

Managers can do  
QP and metrics

Managers

DO WE  
NEED A  
SPECIALIST  
**Testers**  
ROLE HERE  
ANY MORE?

Infrastructure team  
Infrastructure team  
can do Reviews,  
Tech Test, and OAT

External customers (Society) can do Beta and PIR  
External customers (Society)

## Professional QM/QA/QC expertise

All IT professionals  
can do testing
